Evidence Journal Daily Instructions

During our reading of *Night*, you will be required to focus on completing four tasks each day.

- 1) Assemble evidence/quotes. We will focus on the relationship between Elie and his father and the loss of faith. But you should write down anything you think is interesting or important.
- 2) Find vocabulary words and make a guess as to what they mean using the context of the sentence. We will also discuss the dictionary meanings.
- 3) Keep track of metaphors, similes, personification, and instances of foreshadowing
- 4) Create two discussion questions from the reading: Questions that will require you and your peers to think deeply and critically.
